

Hyounghbin Moon

hbmoon@yonsei.ac.kr | (+82-10) 4315-4532

EDUCATION

Yonsei University

Integrated M.A./Ph.D. Program in Psychology

Advisor: Young-Hoon Kim

GPA: 4.16/4.30

Seoul, Korea

August 2023 – Present

Ajou University

B.A. in Psychology

GPA: 3.94/4.50

Suwon, Korea

February 2021

RESEARCH INTERESTS

Romantic relationships; mate value; relationship transitions; adult attachment; social ecology

PEER-REVIEWED PUBLICATIONS

Moon, H., & Kim, Y. H. (2026). Prevalence and correlates of sexual inactivity among married couples. *The Journal of Sexual Medicine*, 23(7), Article qdag180.
<https://doi.org/10.1093/jsxmed/qdag180>

MANUSCRIPTS UNDER REVIEW

Moon, H., Cheon, J. E., Kim, D., Chae, M., Seo, M., Cohen, D., & Kim, Y. H. (under review). Compatibility is not about matching: The benefits of strong saving orientations in both partners

Oh, C., **Moon, H.**, & Kim, Y. H. (under review). A partner who views themselves as more valuable than you, or one you view as more valuable than yourself? Two perspectives on mate value discrepancy and relationship satisfaction

Cheon, J. E., Yoo, J., Chae, M., **Moon, H.**, & Kim, Y. H. (under review). Why avoidance and anxiety undermine relationships differently: A differential regulatory model of attachment insecurity

MANUSCRIPTS IN PREPARATION

* indicates equal contribution

Kim, E. *, **Moon, H. ***, Kang, I., & Kim, Y. H. (in preparation). Who wants to have a child in the world's lowest-fertility country? Predicting fertility desire among premarital couples using machine learning

Moon, H., & Kim, Y. H. (in preparation). Is personality more important than money and looks?
The cross-sectional and longitudinal impact of pre-marital partner values (personality, appearance, and socioeconomic status) on relationship satisfaction

Moon, H., Han, D. E., Oh, C., Chae, M., & Kim, Y. H. (in preparation). What predicts a satisfying marriage? Forecasting pre- and post-marital relationship satisfaction from premarital variables using random forest

Yoo, J., **Moon, H., & Kim, Y. H.** (in preparation). The importance of own attachment:
Unpacking anxiety's functional role in relationships

Yoo, J., Cheon, J. E., **Moon, H., Chae, M., Kim, D., & Kim, Y. H.** (in preparation). Accuracy of partner's perception of personality in romantic dyad

HONORS AND AWARDS

Creative Humanities Seminar Grant	Spring 2026 – Present
Yonsei University Center for Arts & Humanities	
Award, Public Psychology Video Content Contest	Spring 2026
Korean Psychological Association	
Excellence Award, Special Interest Group (SIG)	Spring 2026
Yonsei University Center for Teaching & Learning	

CONFERENCE PRESENTATIONS

-
- Moon, H., Cheon, J. E., Kim, D., Chae, M., Seo, M., Cohen, D., & Kim, Y. H.** (2026, May). *Save more, love more: The long-term rewards of mutual financial prudence*. [Oral presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.
- Oh, C., **Moon, H., & Kim, Y. H.** (2025, November). *Is a high-value partner always better? Perceptual perspectives on mate value, relationship satisfaction, and alternative monitoring*. [Poster presentation]. Korean Social and Personality Psychological Association, Busan, Korea.
- Moon, H., & Kim, Y. H.** (2024, November). *Sexless marriage in South Korea and the United States: A comparative analysis of the demographic and psychological variables*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.
- Ok, S.*, **Moon, H.*, Oh, C., & Kim, Y. H.** (2024, November). *Is personality more important than money and looks? The cross-sectional and longitudinal impact of pre-marital partner values (personality, appearance, and socioeconomic status) on relationship and sexual satisfaction*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.
- Yoo, J., Cheon, J. E., **Moon, H., Chae, M., Kim, D., & Kim, Y. H.** (2024, November). *Personality traits and marital satisfaction: The importance of partner perception*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.

Yoo, J., **Moon, H.**, & Kim, Y. H. (2024, May). *Whose attachment style matters the most?: Exploring influence of adult attachment on relationship and sexual satisfaction*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.

RESEARCH EXPERIENCE

Project Manager, Premarital Couple Projects	Fall 2023 – Present
Social & Cultural Psychology Lab, Yonsei University	
• Managed operations of two dyadic longitudinal studies, including IRB protocols, data processing, and distribution (2022 cohort: N = 595 dyads; 2024 cohort: N = 630 dyads) • Supervised nine research assistants throughout longitudinal data collection	
Undergraduate Research Program Mentor	Summer 2026 – Present
Korean Psychological Association	
• Mentored five undergraduate researchers through research question development, study design, data analysis, and interpretation of findings	
Psychology Department Qualtrics Manager	Spring 2025
Department of Psychology, Yonsei University	
• Administered account creation, renewal, and licensing for 205 accounts across 19 laboratories • Managed survey data and user access permissions	

TEACHING EXPERIENCE

Teaching Assistant, Korean Language Institute Summer School	Spring 2024 – Spring 2026
Yonsei University Korean Language Institute	
Teaching Assistant, Human Emotions	Fall 2023 – Fall 2025
Undergraduate course, Department of Psychology, Yonsei University	
Teaching Assistant, Psychology of Law	Fall 2024
Undergraduate course, Department of Psychology, Yonsei University	
Teaching Assistant, Love and Marriage	Fall 2023
Undergraduate course, Department of Psychology, Yonsei University	

SCHOLARLY ACTIVITIES

Maum-ssi (Mobile app)	Summer 2026 – Present
https://maumssi.pages.dev	
• Designed and deployed a mobile app that uses the experience sampling method (ESM) to help users identify within-person patterns in daily emotions and behaviors • Currently used by 30 users, generating more than 450 daily observations	
AI and Social Sciences Seminar	Spring 2026 – Present
Yonsei University Center for Arts & Humanities	
• Organized and led seminars on applications of artificial intelligence in social sciences	

Special Interest Group (SIG)

Spring 2025 – Spring 2026

Yonsei University Center for Teaching & Learning

- Collaborated with eight graduate students from three psychology laboratories (cognitive, neuroscience, and social psychology) to exchange research ideas and perspectives across subfields

Research Training Workshop

Spring 2024 – Spring 2026

Yonsei University Social & Cultural Psychology Lab

- Led weekly quantitative methods workshops using SPSS, R, and Mplus for 15 lab members
- Conducted workshops on research question development, empirical paper structure, and scientific writing

Evolutionary & Socioecological Psychology Journal Club

Summer 2025

Yonsei University

- Presented and discussed empirical research in evolutionary and socioecological psychology with five graduate students across two universities and three laboratories

Interdisciplinary Research Discussion Group

Spring 2025

Yonsei University

- Organized and led weekly research discussions and presentations with 22 graduate students across diverse disciplines

SKILLS

Statistical software: R, SPSS, Mplus, SAS

Quantitative methods: Dyadic data analysis (APIM, DRSA), multilevel and longitudinal modeling, factor analysis (EFA, CFA), measurement invariance testing
